

CARAMEL20

**PRAIRIE
MALT™**

MALTING AND THE NEW FLAVOR FRONTIER

Prairie **CARAMEL 20** is carefully kilned to impart a slight caramel sweetness with soft toffee notes to your beer. Whether you are seeking to give your IPA a copper colored luster that would make the West Coast proud, provide body to bolster your Best Bitter, or simply to increase head retention in your Amber Ale, Prairie Caramel 20 is poised to deliver the flavors and performance you seek.

MALT ANALYSIS
