# MALTING AND THE NEW FLAVOR FRONTIER

Prairie **GERMAN PILSNER** is more profound than your average base malt. Malting exclusively at our malthouse in Salzgitter, Germany, it imparts the quintessential bold flavors and aromas that make German malts so revered around the world. Brawnier than its domestic pilsner cousins, Prairie German Pilsner is bravely flavorful with a hearty maltiness that is filled out with light caramel and a hint of nuttiness. Use Prairie German Pilsner when brewing lagers of character, flavorful ales, or any recipe that calls for nuance and distinction.
